New things

Linum textiles...

Stylish cushions, table-linen and more in reds & neutrals and a great mixture of textures this winter – linen, cotton & wool.

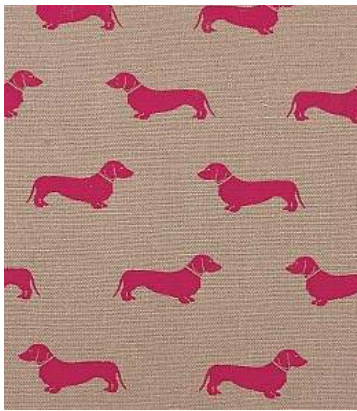

Emily Bond textiles...

Following the success of our doggy ceramics by Jane Hogben we know you're going to love these textiles from Emily Bond. The range includes tea towels, napkins, tea cosies, oven gloves, lampshades & dog beds in a variety of fabric designs. (Message boards & key racks coming soon!)

Fabric by the metre...

We can now offer both Emily Bond and Linum fabrics by the metre. We have a wide range of colours and designs in our fabric books from which swatches can be ordered for you to take home.

Baby blankets...

We now have new designs of our gorgeous pure lambswool baby blankets (which always make lovely presents for new mummies) but also some more everyday blankets made from cotton waffle and fleece – with a price tag to match!

Woollen throws & picnic rugs...

Made in Wales, these blankets and picnic rugs are really nice! They come in range of colours & designs and include some more boyish designs for the men in your life...

Knitted things...

Keep warm this winter with these lovely hot water bottles, lavender hearts & birds, and bed socks knitted from pure lambswool.

Susie Watson...

Three new designs of Lucy Art children's mugs, utensil holders, cushions, Christmas tablecloths, napkins, advent calendars & candlepots...

Jane Hogben ceramics...

We're off to Hogben Pottery on Monday and hope to bring back lots of goodies including mugs & jugs in their festive robin design.

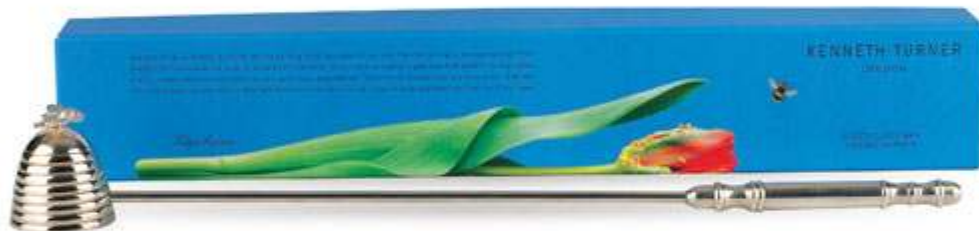

Garden trading

Lots of practical but attractive new things including cat & dog bowls and food bins, shoe shine kits, post boxes and lots more...

Kenneth Turner candles & smellies...

New reed diffusers and scented pillar candles in our best selling “Original” fragrance; silver plated bee candle snuffers; different candles and room cologne in Christmassy “Noel” fragrance; body wash & body lotion tubes; and some lovely gift sets. We’ve also managed to restock everyone’s favourite extra long matches!

Lucy Tom leather door stops...

Our chicken, elephant & cube doorstops are now available in lovely soft leather in red, tan and green and look fantastic in a study or dining room.

We've also restocked Lucy's welly boot bags and have some fab new colours - including some that are slightly more manly!

Draught excluders...

Keep out chilly draughts this winter with our jolly draught excluders from a new local supplier, Lulworth Rose. We have also just restocked Lucy Tom's full range of sausage dog draught excluders in case you missed them last Christmas.

Message boards...

As usual we have a wide range of traditional message boards in stock plus a really fun new style of peg board from Lulworth Rose - exclusive to Cabbage White!

Fake flowers & berries...

These are really brilliant this year – unfortunately we've a very limited supply so don't delay if you'd like some!

Nearer Christmas we will also have miniature Christmas trees and mistletoe - real mistletoe is lovely but is expensive and can be quite hard to find. Fool everyone with our fake stuff and use it year after year...

Oilcloth...

Brighten up your kitchen table with a red spot version of our fun oilcloth!

Christmas decorations...

We have lots & lots of lovely decorations to help you make your house look wonderful this Christmas including...

- ★ Antique effect baubles in a variety of sizes & designs

Happy 2nd Birthday Cabbage White!

We turned 2 years old on 21st October and we're very pleased to say that we're still going strong. Thank you so much for all your support over the last two years (and welcome to our new customers!). We will continue to work our hardest to bring you as many interesting new products as we can.

Monday opening during December...

As usual we will be opening on Mondays during December (except Monday 29th) to give you extra Christmas shopping days – normal opening hours of 10am – 5pm.

See you soon,
